## Description:

Cartec Fast Glaze is a “showroom” wax and gives new and polished paints a fast, even and very deep high gloss.

## Product benefits:

- ✓ Deep glossy result
- ✓ Quickly removes light soiling and fingerprints
- ✓ The paintwork becomes noticeably smoother
- ✓ Very quick and easy to use
- ✓ Non greasy and hologram-free
- ✓ also suitable for use on plastics
- ✓ Pleasant scent

## Application:

Cartec Fast Glaze is used on clean, polished and/or new paintwork. It also works well on plastic, stainless steel and the rear and side windows of the car.

## Instructions for use:

⚠ Do not use in the sun or on hot paint surfaces. Shake well before use.

1. Spray Cartec Fast Glaze on the surface to be treated.
2. Use a clean Fuchsia microfibre cloth (3317/15) to apply Cartec Fast Glaze with a circular motion.
3. Buff to high gloss. For this, use a clean cloth or the back of the cloth already used.

## Tips & Tricks:

- ✓ Cartec Fast Glaze also works very well on windows. Be careful when using it on windscreens, as the water will be pushed out in front of the wiper. This may cause the wipers to bounce.
- ✓ Ideal product for regular car maintenance, also after the wash.
