Products for professionals

Description:

Cartec Dash Fresh is a nourishing lotion for interior plastic parts. It gives a new, silk-matt and original appearance.

Cartec Dash Fresh is available as a silicone-free and silicone-based product.

Product benefits:

- ✓ Does not leave a greasy residue
- ✓ Silky matt and original result
- ✓ Has a light cleaning effect
- ✓ Pleasant scent
- ✓ Fast end result
- ✓ Economical in use compared to aerosol cockpit spray

Application:

Cartec Dash Fresh is a nourishing lotion for all plastic parts in the interior of the car; door panels, dashboard, consoles, trim and leather.

Instructions for use:

⚠ Shake well before use.

1. Inspect the interior for dirt. if heavily soiled clean first with Cartec Interior Cleaner (1205).
2. Apply Cartec Dash Fresh undiluted directly to the surface to be treated or using an application sponge (3211/1).
3. Allow the product to penetrate for a few seconds to a minute and rub with a clean cloth (3317/51) to obtain an even and renewed end result.

Tips & Tricks:

- ✓ Using a Cartec detail Brush (3039/10), Cartec Dash Fresh can be applied to hard-to-reach areas such as grilles.
- ✓ Cartec Dash Fresh can also be used to restore color to rubber mats.
