

FORTEX

**INGENIOUS
CAR CARE**
Products for professionals

Description:

Cartec Fortex is a highly concentrated powerful alkaline cleaner. Fortex generates a full solid layer of foam and is applied with a special foam lance. Fortex can be used brushless.

Product benefits:

- ✓ Multiple mixing ratios possible according to contamination
- ✓ Provides a stable foam layer
- ✓ Brush use is almost superfluous
- ✓ Spreads itself very well when applied to the surface

Application:

Fortex effortlessly removes heavy traffic dirt, grime and grease from trucks, vans, tarpaulins and buses.

Instructions for use:

⚠ Do not use in direct sunlight and do not allow to dry on the surface. Always check the product in an inconspicuous place before use to avoid possible damage.

1. Apply Cartec Fortex to the vehicle in a dilution of 1:50 to 1:100 (depending on traffic dirt) with water using a suitable foam lance.
2. Allow the foam to dwell for 2-4 minutes and then carefully rinse with a high-pressure cleaner from bottom to top.
3. Check whether all dirt has been removed. If not, repeat the treatment and brush the surface with the Truck Brush (3027/11) in combination with the telescopic handle (3027/15).

Tips & Tricks:

- ✓ Cartec Fortex helps smooth the surface after rinsing, by having a sheeting effect.
- ✓ Finish the sprayed and stainless steel parts of the truck with e.g. Cartec Fast Glaze (1011) for an excellent shine.
