

# LEATHER CARE

Up to 3 months

**INGENIOUS  
CAR CARE**

Products for professionals

## Description:

Cartec Leather Care is the ideal product to treat and protect leather chairs and components. In addition to a new look, it also gives back moisture and smoothness to the leather. The product cleans, nourishes and protects and gives extra colour depth to the leather. It is easy to apply and does not leave a greasy or shiny layer.

## Product benefits:

- ✓ Very easy to process
- ✓ Brings back the original color
- ✓ Result after drying not shiny or greasy
- ✓ Natural look and feel after treatment
- ✓ Gives nutrition and protection to leather
- ✓ Leather feels supple and natural after treatment
- ✓ Pleasant light leather smell
- ✓ Silicone free

## Application:

Cartec Leather Care has been specially developed to restore used leather to its original look.

## Directions for use:

⚠ Shake well before use.

1. Apply Leather Care evenly to the surface to be treated using a application sponge (3211/1).
2. Leave on for 3 to 5 minutes.
3. Rub with a soft clean cloth (3317/51) for the final result.

## Tips & Tricks:

- ✓ Cartec Leather Care has cleaning capabilities but when the leather is heavily soiled, preclean first with Cartec Interior Cleaner (1205) and the Cartec Interior Brush (3038/01).
