Products for professionals

Description:

Cartec Floor Cleaner is a highly concentrated cleaning product for industrial floors. As the product is low-foaming, it can be used perfectly in combination with scrubbing/vacuum cleaning machines. Floor Cleaner can also be used manually, is biodegradable and leaves a fresh scent.

Product benefits:

- ✓ Pleasant scent
- ✓ Can be diluted according to contamination
- ✓ Removes grease, oil and tyre marks
- ✓ Safe cleaner

Application:

Cartec Floor Cleaner removes rubber/tire marks, oil, grease and other strong dirt from industrial floors.

Directions for use:

Using scrubber/vacuum machine:

1. Apply Cartec Floor Cleaner as soiling 1:20 with the scrubber/vacuum machine

Manual use:

1. Dilute as soiling to 1:10 with water.
2. Apply Floor Cleaner with a mop or measuring cup (3020/03) on the floor to be cleaned.
3. Let it sit for a while and then treat the floor with the floor scrubber (3027/33 + 3027/8).
4. Pull the clean floor dry with the floor wiper (3027/4 + 3027/9).

Tips & Tricks:

- ✓ Can also be used as an all-round cleaner.
- ✓ Use of hot water increases cleaning power.
