

CHERRY WASH

**INGENIOUS
CAR CARE**

Products for professionals

Description:

Cartec Cherry Wash is a high foaming and highly concentrated car shampoo. The shampoo has been specially developed for hand washing. The high-quality washing active ingredients ensure very good cleaning and optimal use of the car sponge or washing glove.

Product benefits:

- Pleasant cherry scent
- Developed for hand washing
- Highly concentrated
- High foaming
- Good cleaning capabilities
- Optimal pre-treatment for Wet & Protect (1410)

Application:

Cartec Cherry Wash is specially developed for the hand washing of vehicles.

Directions for use:

⚠ Do not let the product dry. Make sure that coarse dirt is removed from the vehicle before hand washing. To remove coarse dirt, use a Cartec pre-cleaner, such as Cartec Twister Comfort (1407).

1. Mix Cartec Cherry Wash 1:50 with clean water in the transparent Cartec bucket (3051/5), including the Dirt Lock Bucket Siever (3051/6).
2. Wash the vehicle from top to bottom with a wash mitt (3120/28). Between washing, dip the wash mitt into the full bucket regularly.
3. After washing, rinse immediately with clean water.
4. Dry the car with the Cartec Aqua Drying Towel (3317/50) to avoid staining the paintwork.

Tips & Tricks:

- ✓ Cartec Cherry Wash can also be used in a foam lance.
- ✓ For quick and effective paintwork protection, use Cartec Wet & Protect (1410) after step 3 of the instructions for use.
