## Description:

Exterior Multi Cleaner is the ideal product to clean the exterior of the car and removes any form of built up dirt, grime and traffic film.

## Benefits:

- Effectively removes traffic dirt, oil and grease
- Safe to use
- Does not affect aluminum parts such as window frames and door handles

## Application:

Exterior Multi cleaner is a powerful cleaner for the exterior of the car. Effectively removes flies, tree resin, oil, grease and heavy dirt.

## Directions for use:

Spray Exterior Multi Cleaner to the surface to be cleaned. Leave for 1 to 2 minutes and then remove with a clean microfibre cloth or water. With a clean cloth and water, remove any remaining dirt and soap residues.

## Tips & Tricks:

After pre-cleaning, use Wash & Wax Shampoo as a hand wash to give a beautiful and deep shine and protection to the car. Avoid washing in the sun to prevent drying.
