CAR CARE**

Products for professionals

## Description:

Cartec Royal Wheel is a highly concentrated acid-free wheel cleaner specially developed for automatic car wash applications. It is ideally suited to remove brake dust and static dirt. The product is foamy and NTA-free.

## Product benefits:

- ✓ Removes brake dust easily
- ✓ Short penetration time
- ✓ Can be diluted for use in wash installation equipment

## Application:

Cartec Royal Wheel easily removes stubborn brake dust, static dirt and oils from alloy rims.

## Instructions for use:

**⚠** Use only outdoors or well-ventilated area. Do not use in direct sunlight. Do not spray on hot or warm rims. In particular, untreated metal may be susceptible to attack by alkaline cleaners. If in doubt, always perform a test on the rim to be treated beforehand to avoid possible damage. Do not allow the product to dry.

1. Apply Cartec Royal Wheel to the rims with a dilution of 1:5 - 1:10 with water. Use a suitable foam lance or pressure pump (such as 3115/51).
2. Allow the product to act for several minutes. If necessary, treat with a damp brush (3039/4). Then rinse thoroughly with a pressure washer.
