Products for professionals

Description:

Cartec Royal Insect is a powerful car wash pre-cleaner which is very effective in loosening stubborn insect residue. It creates a pleasant scent when used and is excellent for removing insects and road grime. The product is high foaming and NTA-free.

Product benefits:

- ✓ Removes insects effortlessly
- ✓ Can be strongly diluted
- ✓ Short penetration time
- ✓ No brush needed in most cases
- ✓ Pleasant lime scent

Application:

Cartec Royal Insect effortlessly removes insects, as well as grease, oil, tree resin, green scale and road grime from vehicles.

Instructions for use:

⚠ Use only outdoors or well-ventilated area. Do not use in full sunlight. Untreated metal in particular may be susceptible to attack by alkaline cleaners. If in doubt, always test beforehand to prevent possible damage. Do not allow product to dry.

1. Apply Cartec Royal Insect depending on the traffic dirt in a dilution of 1:15 to 1:25 with water to the vehicle with a suitable foam lance or pressure pump (such as 3115/51).
2. Allow to act for up to 2 minutes and then rinse thoroughly with a pressure washer.
